GENDER EQUALITY BY 2015, YES WE MUST!

BRIEF DESCRIPTION OF THE GOOD PRACTICE

- To sensitise all formal and non-formal learners on gender issues

Photograph/graphics/
scans/map that will
highlight some of the
information in the
description

WHAT IS THE PROBLEM BEING ADDRESSED? WHY?

- Men are the main problem to understand gender issues. Because they said gender issues are only for women

HOW IS THE PROJECT CONTRIBUTE TOWARDS ACHIEVING THE 28 TARGETS OF THE SADC PROTOCOL?

PROTOCOL TARGET	ACTIONS
The Prime Minister's office will be visited for a short briefing	To brief the Prime Minister about the gender issues
The ministry of Education and Training will be seen for more clarifications.	The Minister of Education and Training Hon.'Makabelo Mosothoane will be given a short presentation on gender issues.
All primaries to the tertiary learners will be taken to the workshops or be seen at their meetings	Teachers, Chiefs, District Administrators will be taken to the workshop.

DESCRIBE YOUR TARGET GROUP

Photographs of the target group

- Formal learners and non-formal are main target.
- 10 females and 10 males from the 10 districts.
- I have chosen to work with them because they are in the MOET.

OBJECTIVES

- To make sure that by 2015 all learners from the formal and non-formal schools have enough education on gender issues.
