GENDER EQUALITY BY 2015, YES WE MUST!

BRIEF DESCRIPTION OF THE GOOD PRACTICE

- The program fights gender abuse through the dissemination of information including putting up posters and holding meetings. and other interventions, like working with law enforcers to bring perpetrators to book, and providing services to victims of gender based violence.

WHAT IS THE PROBLEM BEING ADDRESSED? WHY?

- The program addresses gender equality and participation of women not only that but overt violence and also other forms of abuse including spouse abuse, sexual abuse, incest, sexual molestation of children and abuse of widows.
- These problems were evident in our community and were threatening the peace and development in the community.
