A stage one meeting was held with Ezulwini Town Council management on the 29th May 2012 at the council's boardroom. The country manager gave details for the purpose of the meeting and did a presentation covering all the ten stages. After the presentation the management were impressed and they agreed to incorporate gender in the council.

Ezulwini Town Council is a small town and fast growing with a huge development in both town and the community. Ezulwini Town is promoted from a board to council (Ezulwini Town Council). The town is surrounded by the four big 5 star hotels, the Sun International, Royal Villas the Happy Valley, Lugogo Sun and the Convention Centre. The town consists of 6 managers (3 men and 3 women).

Access to conduct a situational analysis is obtained and the contact person for the process is Mrs Khanyisile Mamba a HIV/AIDS Programmes Manager (AMICAALL).

Khanyisile was not present in the meeting, she was held up in a community workshop of which a meeting was arranged for the two of us, we successfully had our meeting Friday.
